Smart Lunches is here to take lunch off your plate! With more than a dozen choices every day, you’ll be sure to find something for an adventurous eater, a picky eater or a child with food allergies. Plus, you get to pick your child’s side from a rotating list of fresh fruits and veggies. Price varies by size and order frequency ranging from $5.95 to as little as $4.40. For the full menu, now order just 2 business days before. Add-on snacks and drinks are available for growing lunchers.

We’re excited to announce our new, easier to use ordering platform! All families, including those that had accounts with us last year, will need to create a new account. To create a new account:

You can set it and forget it with our new auto-ordering service. Just take 5 minutes to tell us what days you want lunches and rate meals we offer. We’ll do the rest! Once a month you’ll get an email with a link to your customized lunch order. Revise it if you want to. Cancel if your plans change.
