

September 7, 2009

Hello, Smith College Students!

The 2009-2010 Student Government Association (SGA), welcomes your return.

In our year of service to Smith, the cabinet of SGA will focus our efforts on advancing visibility, opportunity, tradition, empowerment, and synergy (V.O.T.E.S.). In working with more organizations and students on Campus, we want to encourage Smithies to actively seek leadership roles and take advantage of all that Smith provides. We will do our part to host more events and talks concerning the pertinent issues that face Smith students – with appropriate focus on both the history and future of Smith. We also ask the student body to do their part and participate in our SGA, whether directly, or indirectly.

The SGA V.O.T.E.S. Campaign starts with your involvement at Smith, from running for and electing positions to keeping your student leaders in check. Tell us what you want us to do, and what we should be doing. We value your input. As Smithies, we know you have a lot of them.

From your SGA President,
Jinny Choi, Gardiner House
